

# ESF Community Grants Lancashire

wea.org.uk

## Could your organisation make a real difference with a grant of up to £20,000?

Do you have an idea for a project in Lancashire to help people from your community move closer to the labour market, into further education or into training?

We are distributing grants of £20,000 across Lancashire to eligible organisations in the voluntary, community and social enterprise sectors. The next funding round opens in January 2020 and we don't want you to miss out.

A grant can help all who are out of work but especially those that:

- ▶ have disabilities, learning difficulties or health conditions
- ▶ are women
- ▶ are from ethnic minorities
- ▶ are aged over 50

If you have any questions about the grants you can contact us at [esfgrantslancs@wea.org.uk](mailto:esfgrantslancs@wea.org.uk) You can also call the team via **0151 243 5342**.
